

JULES

AKA JULES THE LION FOR MUSIC

COMEDIAN • CROONER • HOST • WEDDING OFFICIANT • SPEAKER & CREATIVE CONSULTANT

Jules is a multi-hyphenate performer and modern-day Renaissance Man who delivers unforgettable live experiences that blend humor, soul, and and slightly unhinged wisdom. His comedy special, "Insert Token" (Prime Video, Sirius XM), was produced by the man who discovered Richard Pryor and his debut EP, "Love After Love" was produced by award-winning musician Tom Goss. Unapologetically queer, black, and goofy, Jules brings originality, warmth, and out-of-the-box artistry to every room he enters.
